PREMIUM SCENTS & LURES

Pro-Scent Premium Scent is **100% pure, all natural, full strength urine** (no additives or preservatives). At Pro-Scent, we believe in spoiling our deer herd. Our deer have access to an abundance of natural food sources, causing them to produce urine wild deer would excrete **giving Pro-Scent users an advantage in the woods.**

*Pro-Scent Premium Scents & Lures Owner, Chris Lepley with his **222" gross non-typical B&C taken using Pro-Scent Premium Scents and Lures Special Blend** in October of 2001. Pro-Scent Special Blend brought this monster within 15 yards of Chris' tree stand!*

Pokajeon is one of the fawns being raised on the Lepley deer farm. Someday she will contribute to Pro-Scent, too.
